

## Luxury Jewelry Shop Miro Jewelers Announce Special Mother's Day 20% Off Sale

Proud to be of service to their Colorado customers, fine jewelry retailer Miro Jewelers has announced that now moving forward through Mother's Day May 14, 2017, they have a special 20% off Mother's Day sale on several designer names.

Featuring a plethora of items including necklaces, bracelets, earrings, fashion rings, diamond engagement rings, wedding bands and many other pieces, the Denver, Colorado jewelry retailer has marked down both fine jewelry pieces for Mother's Day and select bridal jewelry items in anticipation of the upcoming wedding season. The 20% off sale sees fashion items from internationally celebrated designer Roman and Jules and bridal creations from their own collection, Miro Jewelers. Certain exclusions apply, see store for additional details.

When asked about the ongoing sale manager Maria Miro said, "we're very excited about being able to do this 20% off sale for the community. We have several simple everyday gift items that work to commemorate special occasions including stackable rings and necklaces that really capture the sentimental meaning of Mother's Day." Miro Jewelers' 20% Off Mother's Day Sale ends on May 14, 2017.
