

Target Now Offering Guard Dog Security Pepper Sprays

ORLANDO, FLORIDA, July 27, 2021 – Guard Dog Security announces that four of their top-selling pepper sprays will be sold Target.com.

The Quick Action keychain pepper spray with belt clip, the Harm & Hammer pepper spray with glass breaker, the patented AccuFire laser-sighted pepper spray and the Bling it On pepper spray with rhinestones will be available to purchase directly from Target online.

The industry has seen an explosive growth in the demand for pepper spray within the last year and this new offering is a testament to those increased consumer requests. Guard Dog Security is known for their selection of unique pepper sprays and the four models being sold on Target.com offer a solution for all preferences including ride-share safety (Harm & Hammer) to added accuracy (AccuFire).

As an added bonus, all of Guard Dog Security's pepper sprays come with the industry-exclusive Protect 4 Life Program. If the pepper spray is ever used in an emergency, the complimentary Protected For Life Program will replace it free of charge.

"We're extremely excited about this new partnership with Target and felt like this was the perfect fit for our products. Because of the similarities between the Target shopper and Guard Dog Security consumers, we know our relationship will continue to expand and we'll be ready for it." – Yasir Sheikh, President/CEO of Guard Dog Security.
