GSH of Alabama, LLC Announces New Partnership with Skyline Corporation Barbara and Scott Stokes Expand Manufacturing to Kansas and Wisconsin

Huntsville, Alabama, January 17, 2018—Barbara Stokes, CEO, and Scott Stokes, COO, of Green Structure Homes of Alabama, LLC (GSH), a Huntsville-based Disaster Relief Construction Contractor, announce a new strategic partnership with Skyline Corporation (NYSE MKT: SKY), parent of Skyline Homes. This agreement will enable GSH to expand home production to Arkansas City, Kansas, and Lancaster, Wisconsin, in addition to existing operations in six other states. These eight facilities will support FEMA's contract award to GSH of Alabama, LLC by producing modular homes to support relief efforts following recent natural disasters.

"GSH is very excited to partner with Skyline Corporation," said Barbara Stokes, Chief Executive Officer. "This new agreement is great news for both companies, and will allow GSH to provide an even greater overall value to our customer, FEMA." Chief Operations Officer Scott Stokes added: "Through this partnership, GSH and Skyline Corporation will draw on over ninety years of combined experience. By expanding operations to total eight states, GSH will be able to produce home more efficiently than ever before, without sacrificing our unparalleled quality."

Founded in 2008 by Barbara and Scott Stokes, Green Structure Homes of Alabama, LLC is a Disaster Relief Contractor based in Huntsville, AL. GSH of Alabama, LLC offers a complete range of solutions to government and private sector customers, utilizing proprietary state-of-the-art design, engineering, and manufacturing techniques. GSH brings proven leadership to the industry. Barbara Stokes, CEO, and Scott Stokes, COO, along with senior management have over thirty years of combined experience in the Disaster Relief Industry.
