**PRESIDENT OF THE REPUBLIC OF POLAND ANDRZEJ DUDA TO GIVE
SPECIAL ADDRESS AT THE CANADIAN HYDROGEN CONVENTION**

WHAT: The Canadian Hydrogen Convention, hosted by dmg events, will engage with energy executives, government officials and Indigenous leaders to build Canada's low-carbon energy future. This must-attend exhibition and conference, hosted by dmg events, on April 23-25 in Edmonton, Canada, provides the opportunity for the entire Canadian supply chain to discuss innovations and solutions for low-carbon hydrogen production, storage, utilization and hydrogen's future as a key fuel.

The President of the Republic of Poland will be in attendance for bilateral meetings to discuss partnerships and investment in hydrogen. Through the Embassy of the Republic of Poland in Ottawa, over 70 hydrogen sector representatives from Poland are set to join 8,000+ attendees and 2,500+ delegates, at the Edmonton Convention Centre, to explore business opportunities and Canada's competitive role in the development of hydrogen products and solutions.

Joining over 70 strategic speakers, with representation from around the globe, the President of the Republic of Poland Andrzej Duda's special address will take place on April 23 approximately at 9:45 am (MT).
