ECS Principal Shari L. Lipski, CLFP, Featured in NEFA Newsline Magazine

Northbrook, Ill., August 10, 2017 — ECS Financial Services is proud to announce that the July/August issue of NEFA Newsline features an article by Principal Shari L. Lipski. Shari's dedication to the industry and her peers is highlighted in the feature piece.

"Sharing the knowledge and experiences I have gained over my years in the industry has become a priority for me, and I appreciate the chance NEFA Newsline offered. The Women in Leasing group I discuss has been a huge part of my career and I am honored to share my story, and I hope to encourage more members to join."

Newsline is the official magazine of the National Equipment Finance Association, a well-renowned organization in the equipment leasing industry. The magazine's reputation as a resource for leasing professionals adds to the honor of being featured.

The article, "It's All About Firsts and WIL," explores Shari's experiences in the leasing industry and the immense support and friendship she has found in a group dedicated to women in the industry. The article can be found on page 22 of the July/August edition of Newsline.

As she explains, Women in Leasing is a small group of dedicated women entrepreneurs in the leasing industry. They meet as a way to empower each other and advocate for the advancement of women in the industry. Shari goes on to explore women's leadership roles in leasing and the growing number of women entering the industry.

For the past 18 years, Shari has been an integral part of ECS Financial Services, an accounting firm specializing in the equipment leasing industry, responsible for corporate business development and portfolio management with an emphasis on the equipment leasing, finance, and banking industries.

Shari routinely shares the knowledge and experience she has acquired with the leasing community through her work with several associations. She is currently serving on the ELFA Service Providers Business Council Steering Committee and as Co-Chair of the CFA-Midwest Membership Committee. Shari also educates and informs her peers as an instructor and contributing author to several trade publications.
