314e Leadership & Sales Team Expansion

PRESS RELEASE - FOR IMMEDIATE RELEASE 08/21/2018

Fremont, CA, Aug. 21, 2018 – 314e Corporation, a Healthcare IT solutions company is expanding its leadership roles. 314e is announcing the following appointments:

Alok Sharma is promoted to the role of Chief Operations Officer.

Casey Post has recently joined 314e as Vice President, Strategic Accounts

Kat Mako will serve as Regional Vice President, Sales

Michelle Sanders is hired as Business Development Manager

Alok Sharma has been an integral part of the 314e team for the past 9 years. His continuous focus and dedication to growing the company has been key to consistently expanding 314e's high standard of sales, account management, recruitment and service delivery teams. Alok also manages several key 314e client relationships and vendor partnerships and is an active participant in multiple HIMSS and CHIME events. With a customer first approach at the core of his work philosophy Alok has nurtured and secured trusted partnerships with multiple clients. This approach has led to many great accomplishments for 314e including receiving the 2018 best in KLAS for Technical Services earlier this year.

Casey will be responsible for the leadership of 314e's sales team, developing new business opportunities, managing strategic accounts and creating customized solutions for 314e's clients around the many 314e service offerings. Casey brings over 10 years of Healthcare IT experience to 314e. He has been involved with CHIME, HIMSS and has supported dozens of clients. He has previously served in leadership roles overseeing several complex engagements with large multi-facility organizations. His expertise centers on creating value-based solutions for clients and developing long-lasting partnerships. Casey is based in Minneapolis, Minnesota and will work with many of 314e's strategic clients and support the growth of 314e across the US.

Kat Mako epitomizes integrity, trust, and quality in every detail regarding healthcare IT solutions. With more than 18 years of experience in executive sales leadership, Kat takes pride in providing best in class, state-of-the-art, and scalable solutions to healthcare organizations, including Advisory, Implementation, Training, Activation, Financial, and Professional Services. Kat is passionate about healthcare, aspires to lead by example, and ensures client advocacy at every stage of a project. Kat is based in Denver, Colorado and will focus on extending 314e's reach and managing clients in the Western US.

Michelle has over 8 years of experience working in the Healthcare IT space, focusing on Epic clients as a business development manager and recruiter. She offers a perspective to clients that brings her knowledge of staffing and consultant skill-set requirements, as well as a deep understanding of EHR system functionality. Michelle resides in Atlanta, Georgia and will be responsible for extending 314e's reach and managing clients in the Southeastern US.

314e's CEO, Abhishek Begerhotta, stated: "Alok has been managing various operational activities at 314e for a decade now. It is time that his role is formalized as Chief Operations Officer. This is great news for our employees and customers as it will allow 314e to drive operational efficiencies. It also enables the organization to focus on future strategic offerings to customers."

"We are excited to have Casey, Kat and Michelle join the 314e family. 314e is on a growth path and is rapidly expanding its sales presence across the United States to better serve the needs of our current and future customers" said 314e COO, Alok Sharma.
