Faith Evans, whose career has spanned over two decades, wears many crowns as a Grammy Award winning recording artist, songwriter, arranger, record producer, New York Times best-selling author, entrepreneur, and mother. The series supports organizations that work to improve the lives of women and girls through grants and programs leading to social and economic empowerment.

“We are thrilled and grateful for our CÎROC’s support this year, but we are especially proud to honor Faith Evans and present her with the 2018 Glitz & GirlPower Legend Award. It’s going to be a special afternoon for everyone who attends,” says Rockstar Diva, President of Glitz & GirlPower.
