Science • Technology • Engineering • Art • Mathematics

Colors at Night by Knate Myers

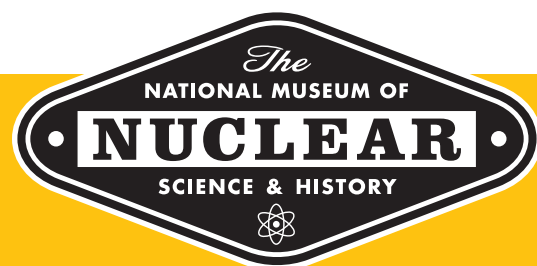

Constant Transformation by W. Gary Rivera

The National Museum of Nuclear Science & History is hosting a photo art exhibit and competition that invites members of the community to share their photographic talent and eye for everything that is Science, Technology, Engineering, Art and Mathematics (STeAM). Any individual may submit a photograph to this competition with the hope to not only win a cash prize but to also have their work on display in a nationally accredited, Smithsonian affiliated museum. All winning entries will debut at the National Museum of Nuclear Science & History from November 4, 2017, through December 31, 2017. Deadline for entries is September 1, 2017.

All photographers will fall within one of two categories; "Youth" Category for anyone 17 years of age or younger and "Open" Category for all individuals, whether professional or amateur, who are 18 years of age or older. Visit our website for more information- nuclearmuseum.org

ENTRY DEADLINE: SEPTEMBER 1, 2017
