

FLORIDA COAST

COVERALLS

✓ Full Zipper Front

✓ Elastic Ankles, Wrists & Hood Face Opening

Protection you can wear! At home or on the job, Florida Coast Coveralls provide protection ordinary coveralls cant match. Virtually impenetrable, Florida Coast Coveralls are excellent for messy jobs, especially those with airborne dirt and dust, sprayed and splattered liquids.

Our Package Sells!

Each Florida Coast Coverall is packaged in its own attractive display box. The packages sells quickly because of its wide market appeal. Six color photographs showing varied uses, and its bilingual product description in both English and Spanish work together to boost sales.

Tried and field tested for their protection and durability, these long tested dependable suits are now being pressed into service against the **Zika virus**. This new danger and its far reaching effects is no match for this modern miracle suit providing an impenetrable barrier stopping micro particle intrusion.
