The First Product by Sran Spirits Is Now Available for Pre-Order

Scottsdale, Arizona: Sran Spirits, LLC. today announced the official launch of Daru Whiskey, a brand new whiskey and the first product under the Sran Spirits umbrella of alcohol beverages to hit the market. Daru Whiskey is a premium, Indian-inspired spirit that is the brainchild of Andy and Sonny Sran, brothers and co-founders of Sran Spirits.

"We're beyond excited for Daru Whiskey" says Sonny. "This product has been much-anticipated and has been a long time in the making, so we're grateful to be able to share our first spirit with the world."

Andy notes: "This is a huge milestone for us. The plan is to first aggressively pursue the U.S. market first, and then expand Daru's global footprint in parts of Europe and Asia in early 2021."

Some details regarding Daru Whiskey:

- 100% Canadian Corn Mash
- Filtered through activated charcoal to remove impurities and smoothen palate
