## **Make your next team building event the most memorable and meaningful your team has ever experienced!**

A Cheeriodicals team building event is like no other. During our fast-paced program, Cheeriodicals provides everything needed for your team of 25-2,000+ people to assemble hundreds of 'cheer-up gift boxes' for patients at a local children's hospital - one gift box for every child.

The magic continues after the team building event, when we escort a group of your team members (5-10 people) to the hospital to personally deliver the gift boxes. The event will enhance your Corporate Social Responsibility program, emotionally bond your team and touch the lives of hundreds of children and their families needing a reason to smile.

Your event won't just be fun - it will be an event "that matters"!

**“Thank you Cheeriodicals for a wonderful team building event! Your company is making a difference in the lives of all who come in contact!**

# What's in a Cheeriodical?

A Cheeriodicals gift box is packed full of age-appropriate magazines and fun items such as puzzles, activity books, entertaining crafts, a cheerful stuffed animal and much more. We know kids love their Big Green Boxes of Cheer. We've seen their smiles thousands of times during our special deliveries at children's hospitals across the country.

# Why Cheeriodicals?

## Team Building that Matters

At a Cheeriodicals event, your employees participate in an activity that directly benefits the local community and fosters a sense of charitable giving in all who are involved. As an added bonus, following the event, a group of 5-10 participants are escorted to the children's hospital to personally deliver the gift boxes.

## Fast-Paced Team Building Event

Events can be completed in 60 - 90 minutes, depending on your time requirements.

## Corporate Social Responsibility (CSR)

Companies allocate significant time and resources to meeting CSR goals and objectives. Our concept allows you to include team building as a tool for meeting those CSR standards with broad-reaching impact to the community.

## Turnkey Event

Cheeriodicals' turnkey events make team building easy. We deliver all supplies, tools and team building facilitators to your meeting location (anywhere in the US). We also coordinate all logistics related to the delivery of the gift boxes to the hospital.
