Kever Avot

Free Community Memorial Services

Kever Avot, the tradition of visiting the graves of our parents and loved ones between Rosh Hashanah and Yom Kippur, evokes a wealth of emotions and memories. In these moments, many of us yearn to feel connected to a community. We invite you to join with us as we pray together, support one another, and honor the memory of those who have passed.

On September 20th we will hold our free annual Kever Avot services in both our parks.

Whether your loved ones are buried with us or far away, all are welcome.
