## **ABOUT**

I am writing to you all because the Bean Family, (Mya, Crystal, Maurice, Christian and Maurice Jr.), wrote a children's book called 'I Stand Up To Bullies.' "I Stand Up to Bullies," illustrates the story of a little girl named Mya in an elementary school setting. Our main character, Mya, finds herself with a big problem. It's not learning or education related! Her problem deals with the BIG BAD world of BULLIES! Bullies are one of the leading causes of why children and young adults fear and lose interest in school, lose social skills, and develop low self-esteem. Additionally, it leads suicidal thoughts and potentially causes suffering from depression. Mya recognizes how the bully named Samuel is saying mean words to her. Mya doesn't like it. The story details how Mya gains the strength to stand up for herself by reciting positive words daily to rebuild her self-esteem. As a result, Mya gains the strength to overcome and conquer her bully through her constant positivity and the daily reinforcement of her very own self-power.
