No matter who you are, you have a great capacity for emotional connection,

intimacy, and pleasure. Which are essential for being happy. But that doesn't mean it's always easy. Sometimes the obstacles are mental. Sometimes they are physical. Or just a matter of running out of time in the day. The good news is, we can make it easier. Coconu is focused on helping you find more opportunities to connect and be intimate with your partner. Our personal care products offer couples increased possibility for pleasure, both functional and fun. Coconut oil and water based personal lubricants ease physical limitations for a more rewarding experience. And if you are already having great sex, we know you can make it even better. Coconu facilitates, affirms, and celebrates good clean healthy sex. All with the promise of naturally safe products developed by people who are obsessed with quality. Coconu: Have better sex. Naturally.
