

Win-Win Deal: Check Writing Software Helps Businesses Run Efficiently

From saving time and money, to increasing security and convenience, the new edition of ezCheckprinting from Halfpricesoft offers users numerous advantages over pre-printed checks. And users can get it for free through win-win deal at www.halfpricesoft.com

Halfpricesoft.com (<http://www.halfpricesoft.com>) announces that ezCheckPrinting users can get the popular check writing software or blank check stock for free when they check out through TrialPay offer from halfpricesoft.com site.

"It's a win-win-win-win situation: the customer gets free product, we make sales, the TrialPay advertiser makes sales, and TrialPay gets commissions. " said Dr Ge, the founder of halfpricesoft.com. "In a down economy, companies need to streamline and increase efficiency, so they can be more productive with every minute and every dollar. ezCheckPrinting can save user time and money. We hope more users can take advantage of this check writing software through this free offer."

Known for affordability and ease-of-use, ezCheckPrinting software from Halfpricesoft is highly popular with small to mid-sized corporations, government agencies, non-profits and financial institutions. The new edition makes it even easier to work with ezPaycheck, Quicken, Quickbooks, Peachtree or other software. It offers the users numerous advantages over pre-printed checks and helps keep businesses running more smoothly and efficiently.

With this check writing and printing software, customers can print on standard size checks or on 8 ½ x 11-inch pages with check-on-top, check-in-middle, check-at-bottom and 3-per-page formats. The year 2011 version is more user-friendly and allows users customize check layouts, set-up and print checks quickly, and eliminates need for expensive pre-printed checks. And the new blank check printing and importing feature make it even easier to work with **ezPaycheck Payroll Software**, Quicken, QuickBooks, Peachtree or other software.

Thousands of users love this **laser check writing and printing software** because ezCheckPrinting makes writing checks and paying bills fast, efficient and inexpensive. And the intuitive interface guides users to customize and print checks with point-and-click ease.

This affordable check writing software is ideal for any businesses, government agencies, financial institutions and non-profits, and was designed and engineered for ease-of-use by those who have only basic computer skills and little accounting know-how.

Currently, Halfpricesoft.com offers several products for free through TrialPay, including:

- ezCheckPrinting, business version check writing and printing software
- ezCheckPersonal personal check writing software
- ezTimeSheet, computer-based employee attendance tracking software
- Blank check stock for use with ezCheckPrinting, ezPaycheck and ezCheckPersonal software
- Stock for printing W2, W3, 1099 and 1096 forms
