

HELP US REACH OUR GOAL

Snowline's Sunshine Letter Program needs you! Spread joy and cheer by writing letters to hospice patients. Your letter helps to support seniors and patients in isolation during the coronavirus pandemic. Write a letter then tell your friends to join. Reach out to those you know out of state and help us achieve our goal of receiving letters from **all fifty states**. Share what you do on social media, call up an old friend, or host a virtual letter writing date with your relatives.

Letters can be handwritten or typed. Address your letter "Greetings to you"

- *Focus on the positive.*
- *State in your letter that you are writing on behalf of Snowline Hospice*
- *Isolation is difficult. Remind them that they have the support of their Snowline team.*
- *No COVID19 or terminal illness talk.*
- *Include photos? Yes! But no photos of people.*
- *No politics, religion, or over personal information.*
- *Please sign only your first name to letters.*

Write as many notes as you would like. Mail to:

Snowline Hospice Attn: Volunteer Department
100 Howe Ave Suite 240N
Sacramento, CA 95825

Or
