

COVID19 SIGNAGE

Visual Concepts for Returning to In-Classroom Education

WHO WE ARE

May Group USA is an award-winning manufacturer of permanent signage.

During these times of COVID-19, we have shifted our focus and efforts to support local schools and businesses with useful and informative tools needed to reopen safely.

Many school districts and higher education campuses are still looking for better solutions for providing a safe environment for their students and we have the experience to act quickly in response to those needs. Our solutions are customized for each school but most of the hard work, designing the elements and sourcing the materials, has already been done and tested in the field.

The following renderings showcase the possibilities of our offering. We design, produce and install (if needed) these elements, so we can assist you through every step of implementation.

COVID-19 PREVENTION

FOR EVERYONE'S SAFETY, IT'S IMPORTANT WE ALL COMPLY WITH CDC GUIDELINES

- PRACTICE SOCIAL DISTANCING**
Stay at least 6 feet (2 meters) apart from others.
- WEAR A MASK**
Wear a cloth face mask when you are around other people, even if you don't have symptoms.
- STOP THE SPREAD**
Cover your nose and mouth with a cloth when you cough or sneeze. Avoid touching your face. Wash your hands often with soap and water.

THANK YOU

As you consider these materials for your school, you can help us expedite the survey and installation process by gathering PDF files of the floor plans of your buildings.

Please contact us at safeschools@maygroupusa.com to discuss the signage needs at your school and to schedule a site survey.
