Offering unequalled income opportunities through an established hotelier

Acanto Boutique Hotel & Condominiums has completed an extensive conversion and renovation process aiming to re-establish itself as a market leader amongst the boutique hotels of Playa del Carmen. The offering at hand consists of 21 residences, all intuitively and efficiently designed by Segura+Schreiber architects, fully serviced by a professional hotelier boasting a proven success story of outstanding quality. It has been recognized by many, including Frommers Travel guide, as a delightful and original retreat. The developer is dedicated to the success of this property at all levels and is proud to announce a collection of incentives and discounts aimed to the lifestyle investor. Inquire with our experienced property advisors for more information.
