

A Great Flipping Book Maker

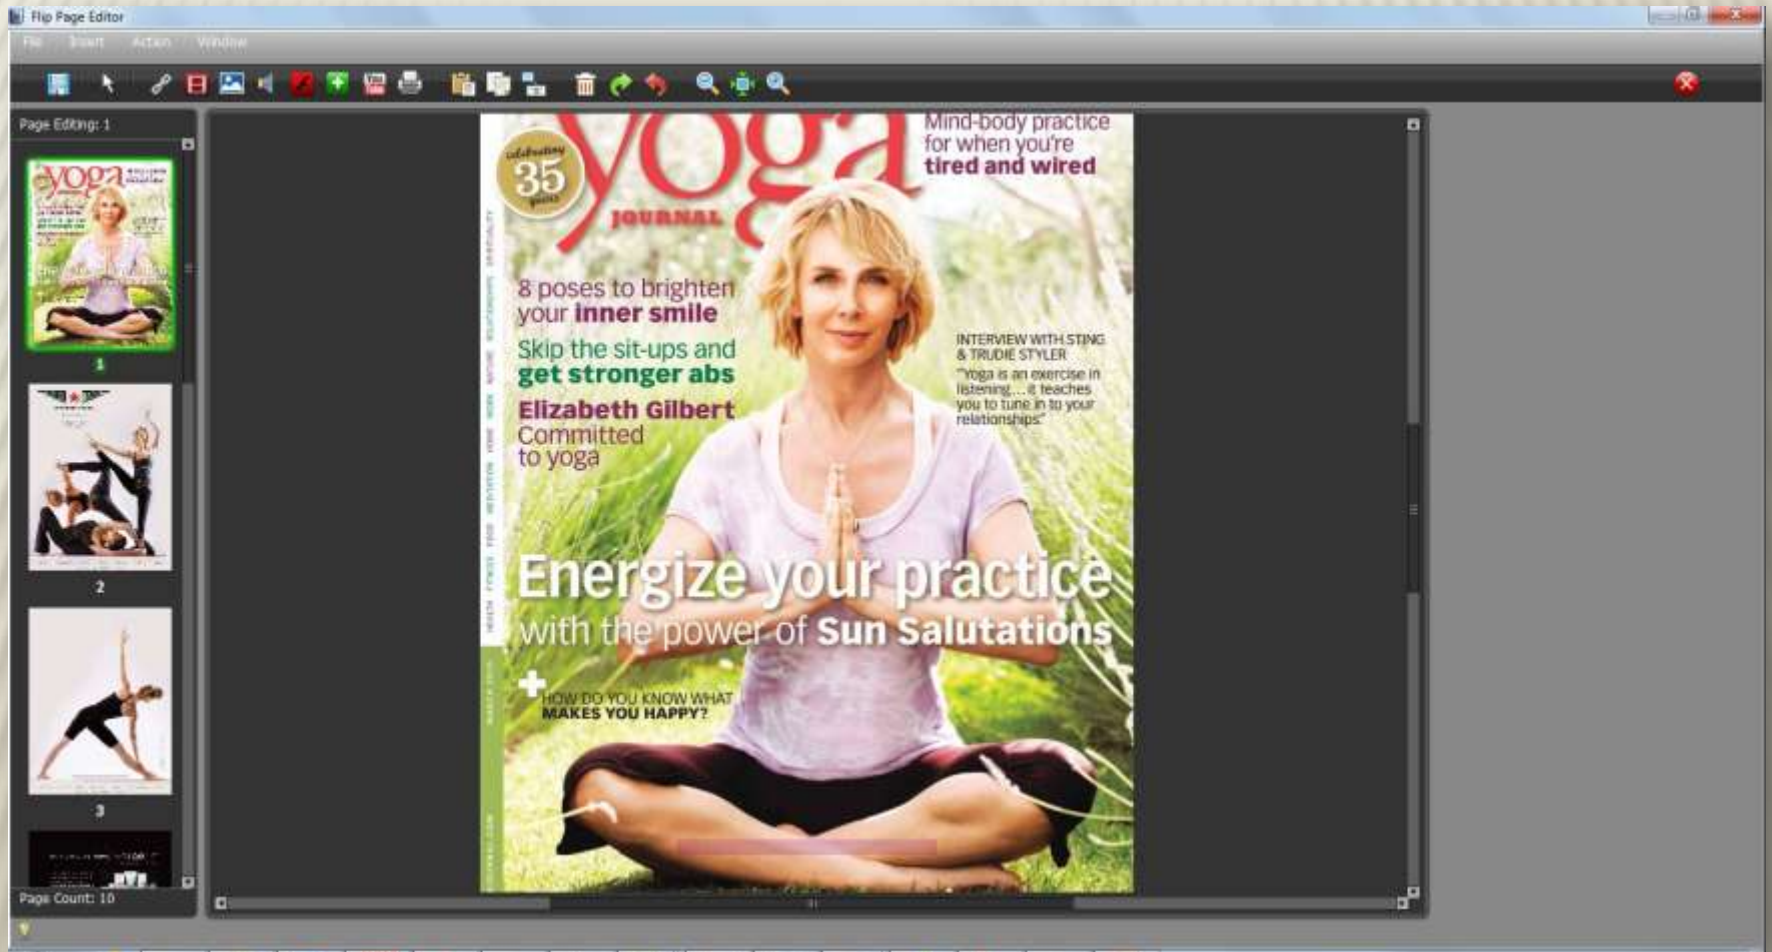

FlipBook Creator Professional

The screenshot displays the emagmaker.com interface. At the top left is the logo and URL. A navigation bar contains icons for zoom, back, forward, and other controls, with a page indicator showing '1/10'. The main content area features a large, interactive flipbook of a 'yoga JOURNAL' cover. The cover features a woman in a purple top and black pants in a yoga pose, with text including 'celebrating 35 years', 'Mind-body practice for when you're tired and wired', '8 poses to brighten your inner smile', 'Skip the sit-ups and get stronger abs', 'Elizabeth Gilbert Committed to yoga', 'INTERVIEW WITH LIVING & TRUDIE STYLER', 'Energize your practice with the power of Sun Salutations', and 'HOW DO YOU KNOW WHAT MAKES YOU HAPPY?'. The flipbook is set against a background of a road leading to a tree. Below the main flipbook is a 'Thumbnails' section with a 'Social Share' icon. The thumbnails include the main cover and several other pages from the flipbook, such as yoga poses and an interview page.

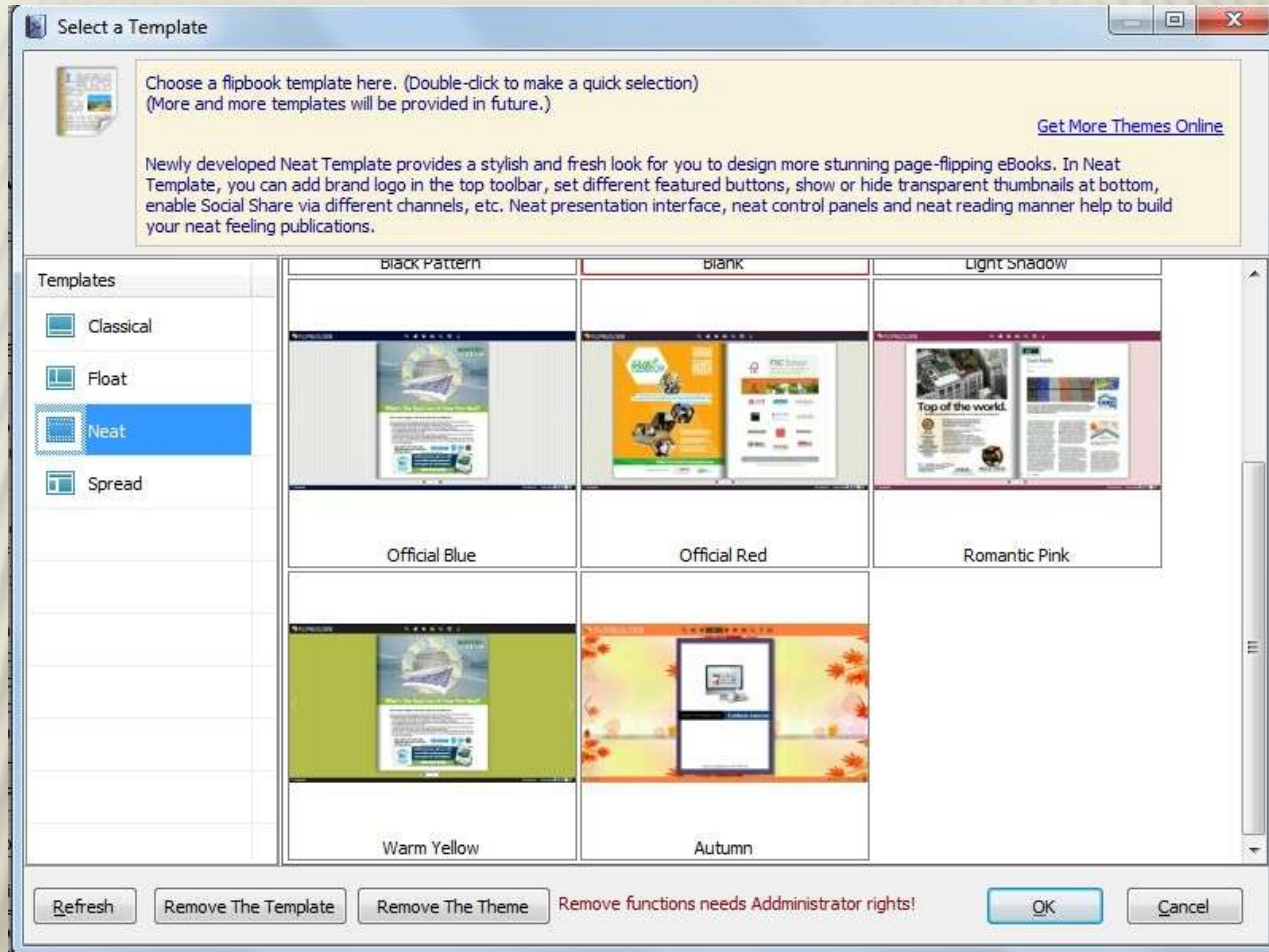

why use?

- × Traditional PDF file is so tedious. There are many flash magazines, novels, ads, and brochures are made from PDF. It is a popular way to transfer PDF documents to attractive [flash flip book](#). This is an effective way to catch more readers' eyes.
- × FlipBook Creator Professional is a powerful flash page flipping book maker to create stunning flash magazine from PDF files. You can insert link, FLV movie, image, sound file, SWF file, button, YouTube video and printable area into pages.
- × There are four templates and four output types for you to choose from. You can also make a mobile version for iPad, iPhone and Android mobile devices.
- × Have a free trial on : <http://www.flippagemaker.com/flippingbook-maker-pro/index.html>

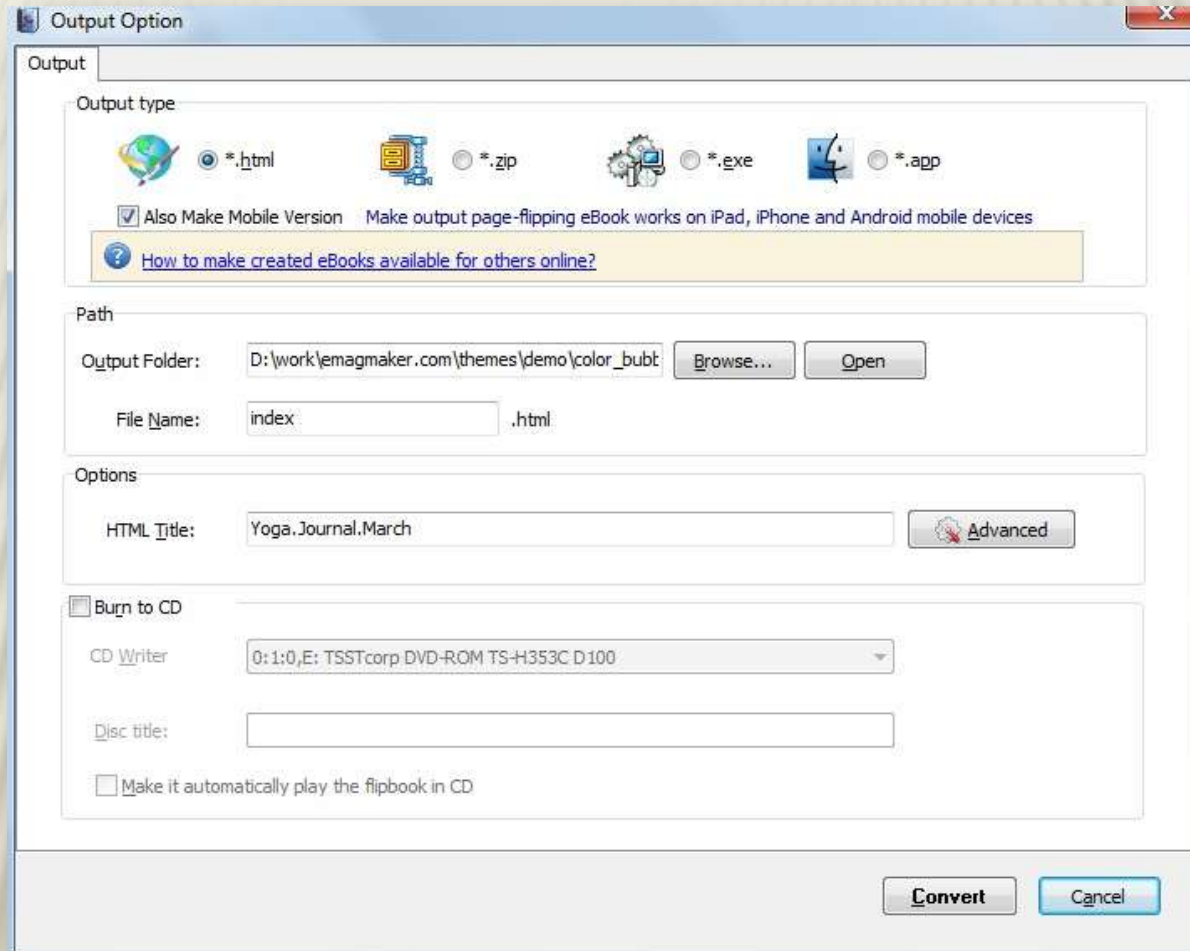

1. edit the flip page with the Flip Page Editor;

2. Four templates: Classical, Float, Neat and Spread;

3. Four output types: html, zip, exe, and app;

4. Concise interface

The screenshot displays the emagmaker.com software interface. The top menu bar includes 'File', 'Convert', 'Options', 'Online', and 'Help'. Below the menu is a toolbar with buttons for 'Import PDF', 'Edit Pages', 'Apply Change', 'Convert To Flipping Book', 'Upload Online', and 'Batch Convert'. A sidebar on the left contains 'Design Setting' and 'Bookmark' tabs. The 'Design Setting' sidebar is expanded, showing various configuration options for the flipping book, such as 'Tool Bar Settings', 'Tide Bar', 'Buttons Bar', 'Print Config', 'Download setting', 'Sound', and 'Zoom Config'. The main preview area shows a two-page spread of a magazine or book. The left page features a woman in a black leotard performing a high kick, with the text 'HARD TAIL FOREVER' and 'LAWRENCE F. L.L.L.' visible. The right page shows a woman in a black leotard performing a low lunge. The interface also includes a search bar, a toolbar with navigation and zoom controls, and a 'Social Share' button at the bottom right. A 'Bar Color' section at the bottom left contains XML code for the application's metadata.
