Proceeds from the event tickets will go directly to Opportunity Village, a non-profit organization that helps those with intellectual disabilities find independence and follow their dreams

LAS VEGAS, Nevada, October 24, 2018 (Newswire.com) -

For more than 70 years, MJ Christensen Diamonds has dedicated themselves to serving the greater Las Vegas community through their financial and humanitarian efforts. This year, the tenth annual Vegas Gives benefit event will be honoring Darlene Miller for her philanthropic efforts with [Opportunity Village](#) (OV).

The charity cocktail reception, which has been sponsored by Modern Luxury Vegas Magazine and the Howard Hughes Corporation, will recognize ten women who are blazing a trail for philanthropic causes in Las Vegas. It will be held on Wednesday, November 7th from 6PM to 8PM at the beautiful Fairway Hills Clubhouse at The Ridges in Summerlin.

As the owner of MJ Christensen Diamonds and a [stalwart supporter of OV](#), Miller has devoted much of her time over the past few years helping those in Las Vegas with developmental disabilities enrich their lives and develop their inner talents.

To celebrate Miller's and the other honorees' philanthropic efforts, those interested in attending Vegas Gives' cocktail reception are encouraged to purchase a ticket to the event.

A \$50 donation includes entry to the event and two raffle tickets; a \$100 donation includes event entry and five raffle tickets. According to the ticketing site, the raffle tickets give attendees an opportunity to win drawing prizes that include "fabulous fashions and one-of-a-kind experiences."

All of the proceeds from these donations will go towards Opportunity Village and support their efforts to help individuals with intellectual disabilities live more fulfilling lives.
