14

BILLION USD ANNUAL DURIAN INDUSTRY

Durian Harvests has access to the entire value chain – from planting and managing Musang King Durian to the harvesting and sale of Musang King Durian related products. Durian Harvests, through its network of associated companies, can also provide white label, also known as private label, products and services to food & beverage companies. This means that you can place your own branding and logos on a wide range of Musang King Durian products quickly and cost effectively.

We will assist you with reaching your goals by saving you both time and money. Furthermore, we can also assist you with the design, product development and distribution of all your Musang King Durian related products. We can cater to both the retail and wholesale market domestically and internationally.

Durian Harvests retail product range include Musang King Durian ice creams, beverages and snacks. Our wholesale products include Musang King Durian paste and powder which are used by restaurants and F&B companies as ingredient in the production of a variety of products.
