BIORAY® kids

Our products can be used individually or all together. Here is our favorite way to introduce the products one at a time. Begin with one product, wait 24-48 hours before adding a new one.

STEP 1 > NDF® CALM

Liver and kidney support – so toxins have a clear pathway out of the body.*

STEP 2 > NDF® SHINE

GI and colon support – when the detox pathways are clear, it is easy to go after bad bugs in the gut and colon.*

STEP 3 > NDF® FOCUS

Clarity and steady energy – when liver, GI, and colon are supported & functioning – now we can focus!*

STEP 4 > NDF® HAPPY

Removes unwanted organisms – all organs of elimination are now moving in the right direction. Now we can address those lil' bugs which kids get from playing in the dirt or with their pets and putting their fingers in their mouth.*
