Ship with Ease - Pack, Pay and be on Your Way
Never leave the comfort of your home, have the carriers come to you

Sending packages isn't the most fun thing to do! It's a long tedious process with lots of paperwork, manual entry and compliance. However, with eShipNow, shipping from campuses has never been easier! Our web/mobile-based shipping software allows students and faculty to easily send and receive gifts, personal care packages or documents, either internationally or domestically at lower rates and with greater confidence.

eShipNow Features:

» A web-based, mobile-friendly platform

» Ship to over 196 countries

» Save time - no longer spend large amounts of time trying to send a package: just pack, create and ship within a couple of minutes

» Low price - save money with our discounted rates

» Visibility - know where your package is at all times

» An easy-to-use software interface

» Ship pretty much anything under 150 lbs.

Benefits for You:

» Ship anywhere - to or from the US

» Eliminate wasted time and effort from faulty shipping documentation

» Save time and money on shipping, you have better things to do!

» No longer leave campus, the carriers will come to you! Just arrange a pick-up or delivery time

» Want your parents to send you things - use eShipNow (coming soon)

» We will provide the shipping supplies
