

# BROSKI

1465 SW 6th Ct, Pompano Beach, FL 33069  
(954) 657-8947 | broskiciderworks.com

Our goal is to create the finest quality and most innovative hard ciders on the market. These award winning ciders were inspired by Florida's tropical weather and their flavor profile embodies everything Florida has to offer. Broski utilizes proprietary brewing procedures and natural aging to bring you a cider that delivers in superior quality and taste. Free from additives and preservatives, this easy drinking, gluten-free, low calorie cider is "Sunshine in a bottle."

Broski Ciderworks is partnered with Fresh from Florida, a program that ensures all of our ingredients are certified, sourced, and produced in Florida. We are committed to growing and supporting our agriculture industry by using only local ingredients and the fresh fruits our state has to offer. That's what makes us a "Florida Craft Cider."

Broski is proud to be a minority owned business. Our diverse team represents the various cultures that make South Florida so unique.

David Verdugo, PhD and Danny Verdugo, started Broski Ciderworks in 2015 with one goal, to engineer the first TRUE Florida cider. These award winning brewers have over eight years of experience and have grown their distribution network throughout the state of Florida and ship internationally to the Bahamas. Broski products can be found in many local restaurants and retail stores.

## 2021 US Open Cider Grand National Champions

**f** "Good selection of unique hard ciders and different food trucks each week. Staff was very helpful and the canning machine was crazy. Décor was cool, too. We will return." -Donna Kinney

**G** "Great drinks, friendly staff, and a nice cozy atmosphere." -Ian McSwain

**yelp** "This is definitely one of the top cideries and I recommend it to anyone who loves ciders or just wants to have a good time."
