

NEWS RELEASE - FOR IMMEDIATE RELEASE

Lifematters Names Silvana A. Dill Executive Director of Business Development and Recruiting

Silvana brings over 24 years of leadership experience in elder care and home health care working with Allegis Health Services, HCR-Manor Care, Adventist HealthCare and Human Touch Home Health.

Silver Spring, MD, May 29, 2018 — Lifematters today announced that Silvana A. Dill has been named Executive Director of Business Development and Recruiting. Silvana will be overseeing all the business development efforts for Lifematters. Strategizing and implementing plans to grow the business and expand services. Silvana will also be working closely with the recruitment department to attract and hire qualified staff.

Scott Thompson, Founder and CEO of Lifematters stated, “we are pleased to bring Silvana on board — her years in home health care, business development and marketing will strengthen Lifematters to better serve the metro DC area and our new opening in Baltimore.”

Silvana, whose most recent role was Director of Operations for home health provider Bayada, will work to enhance our existing relationships with retirement communities and hospitals and build new relationships in this space.

Says Silvana, “I am excited to join Lifematters and be a part of an organization that provides so many important services to the community in such a caring manner. I am looking forward to increasing awareness in the community and growing the business.”

About Lifematters

Founded in 2004, Lifematters is the largest employer-based home care and care management company in the Washington, D.C., metropolitan area. Lifematters is the first choice in home care for individuals, families, doctors, nurses, social workers, hospitals, and independent- and assisted-living facilities, and has garnered recognition in these areas from local and national award programs. The company works with clients to create customized care plans and employs highly trained, skilled caregivers and care managers. The full range of in-home services includes care management, counseling, nutrition counseling, medication management, social companionship and care for neurological disorders. Lifematters associates also assist clients with bathing and grooming, personal safety and security services, transportation and errands.
