Clowes Jewellers Presents Third Annual CrownRing Bridal Weekend With Award-Winning Designer Noam Carver

On April 20-21, Noam Carver and the CrownRing team will visit Clowes Jewellers to kick off the Bridal Weekend event and design beautiful bespoke bridal jewellery for interested attendees. Shoppers will also receive 10% off the brand's bridal jewellery during this weekend.

RED DEER, Alberta, April 11, 2018 (Newswire.com) - For the third year in a row, Clowes Jewellers will be hosting their annual CrownRing Bridal Weekend event at their dazzling Red Deer showroom. On Friday, April 20th and Saturday, April 21st, shoppers can browse over 500 ring styles from the CrownRing collection and meet the award-winning mastermind behind the brand, [Noam Carver](#).

Fans of Carver's work should take full advantage of this event, as this is the one time each year that the Canadian jewellery designer visits Clowes Jewellers and helps Clowes Couples design their dream [engagement rings](#) and [wedding bands](#).

In addition, attendees of this special event can take 10% off select bridal jewellery purchases made at Clowes Jewellers during these two days. This special pricing covers the entire selection of Noam Carver, CrownRing, Bleu Royale, and Carlex bridal jewellery available at the retailer.

Husbands-to-be will also receive a free sports band with every precious metal wedding band purchase. These bands are meant to be worn in replacement of the typical wedding band during rigorous activities to prevent any harm coming to the design. So, couples intent on purchasing their wedding sets during this weekend will not have to worry about damaging their rings.

For those looking for something a bit more creative, the Red Deer-based jewellery store will also display Carver's new Carver J'aime engagement ring line, a set of uniquely eye-catching rings adorned with uncommon precious gemstones like blue topaz, green amethyst, and morganite.

With the selection available at Clowes Jewellery during this one-of-a-kind event, the CrownRing Bridal Weekend will be the engaged couple and newlyweds' go-to destination for everything bridal jewellery.

An RSVP for this sought-after bridal event is highly recommended, as the CrownRing Bridal Weekend has been very popular with Clowes' clientele for the past two years. They do accept walk-ins, but booking an appointment guarantees a one-on-one meeting with their attentive staff during this very busy weekend.
