

YOU ARE A SNIPEE CHAMP!

YOU ARE AWESOME!

SNIPEE

My name is Conor and I Love my mommy.
She plays with me, She sings to me and al-
ways kisses my booboos.
"Today," mom said " You are going potty."
Mommy is happy.
She says "No more diapers, okay?"
"Okay mom. Be Happy :)"

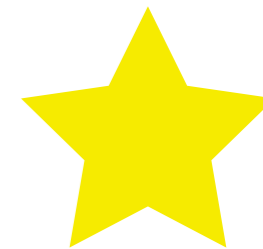

Mommy loves to clean our home. She loves it even more than playing with my toys.

I don't want to bother her, but I am feeling that I am going to have an accident in my diaper.

"Mommy! I need to go potty....NOW!!!!!"

Mommy is happy. I guess she likes going to the potty.

"Let's go. Thank you for telling me. You are such a good boy."

Mommy says I need to stand on it. I don't know why.

Mommy helped me up on the stool. I am SUPER TALL! I can see everything from here.

"Okay Conor. Go Potty please." Mom said.

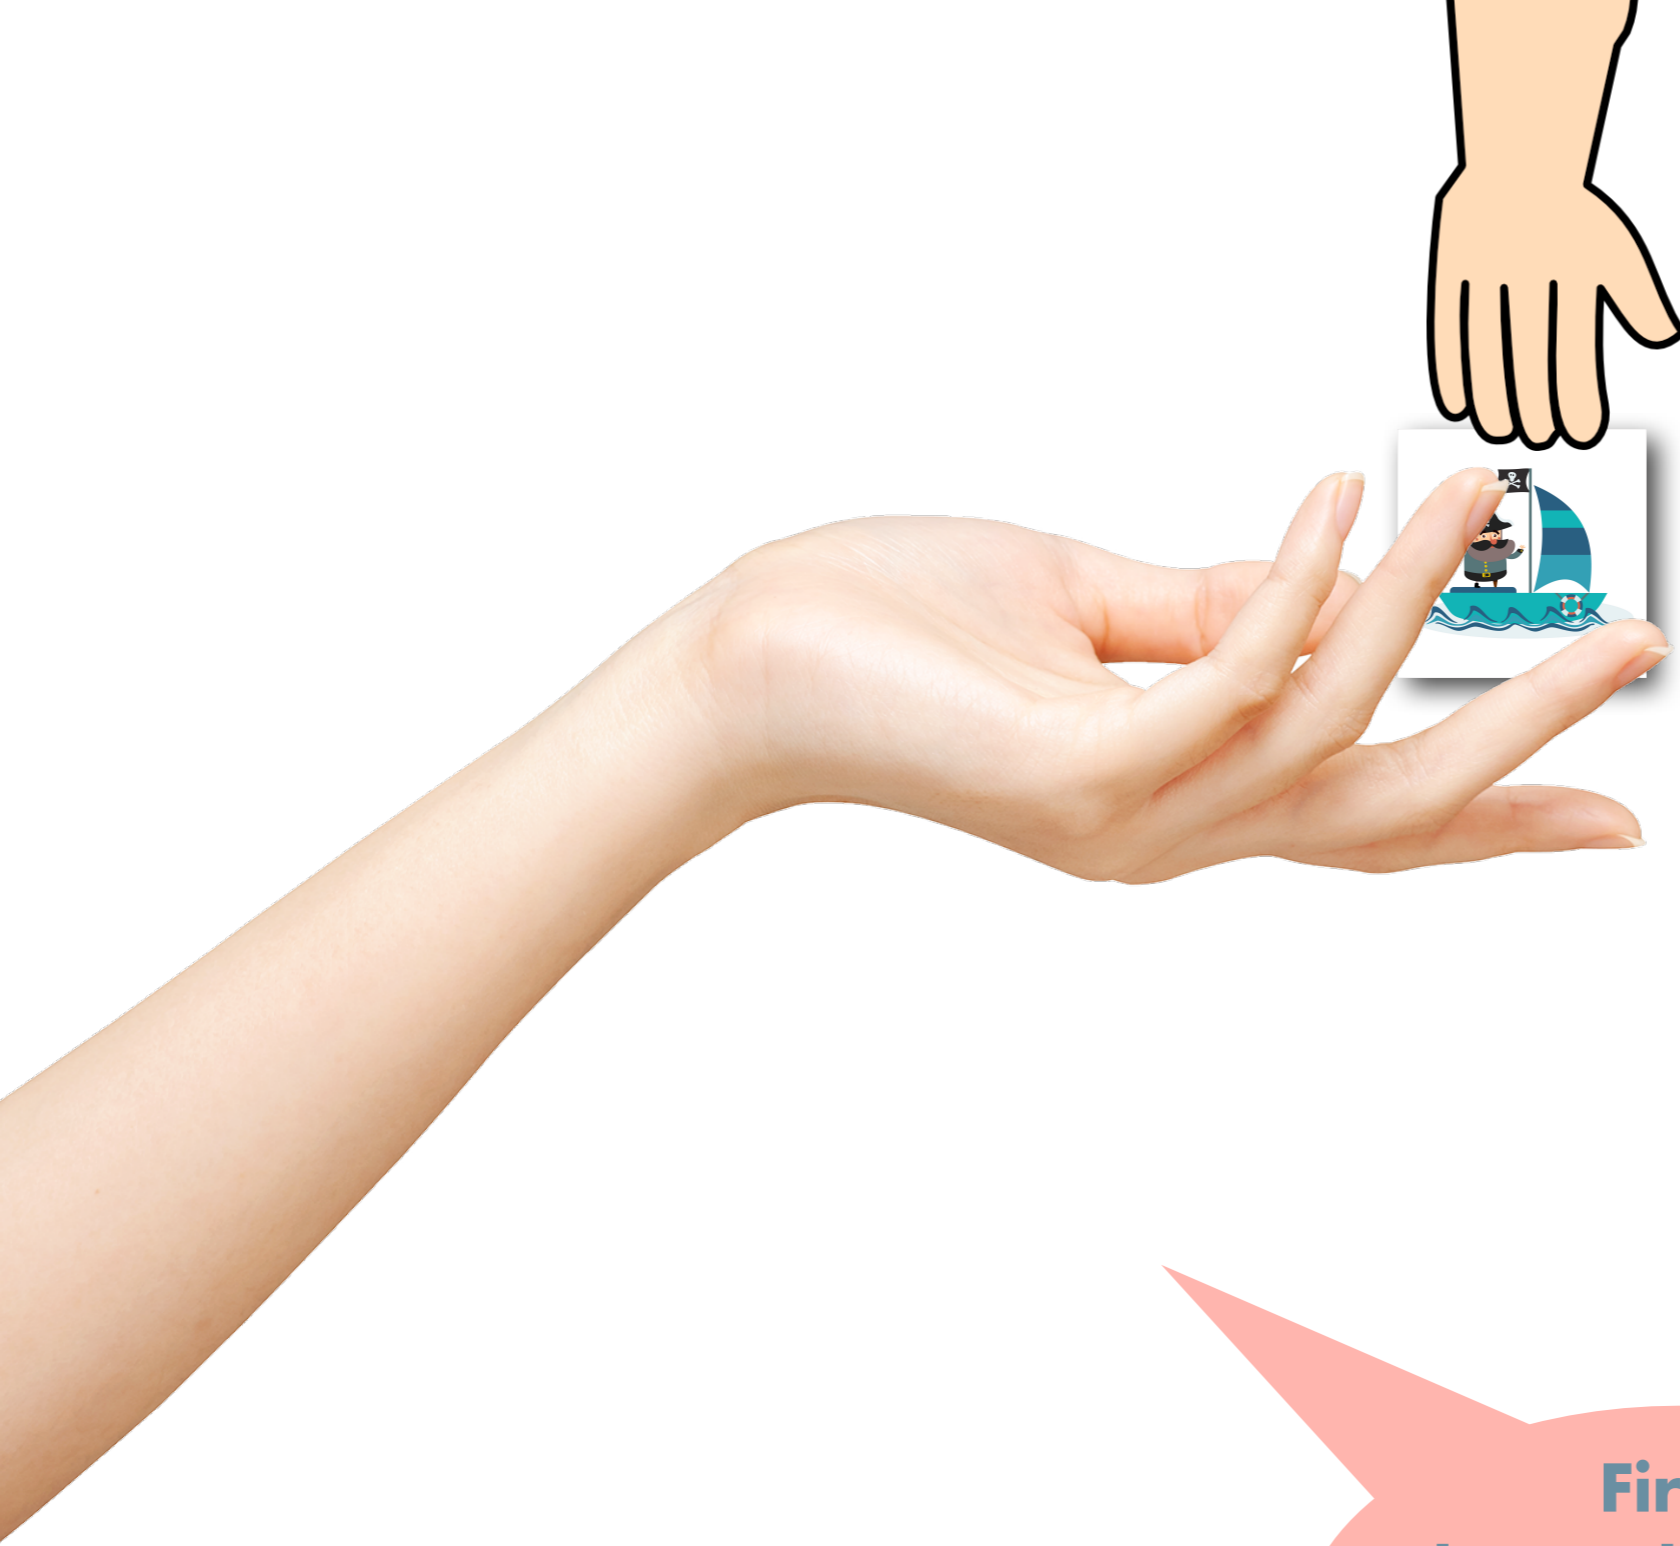

I am not sure what to do...but I really needed to go Pee-Pee.

"Mom, look!" I pointed to the steam of water that came out, and just when I turned, my water moved with me.
