

STUDENT ACES PRESENTS

CAPTAINS LEADERSHIP SUMMIT

APRIL 5, 2016 | 8 AM - 3 PM | TBD

Student ACES is proudly announcing a leadership summit designed specifically for high school athletic captains that will provide leadership skills, techniques and life lessons to student athletes who are leading each of their teams in today's highly competitive world.

Captains will have the unique opportunity to hear and

engage with world-class experts and leaders in their respective professions, and connect with captains from other schools within an interactive setting.

Our team of experts will work through five distinct modules to provide the captains with unique perspectives on Safety, Performance, Team Dynamics, Image and Money Management.
