BULLDOG MICRO

AUTO SCRUBBER

Powerful Floor Scrubbing for Smaller Applications |

Achieve a superior level of clean in smaller applications with the cordless, Li-Ion battery powered Bulldog Micro Scrubber. This highly maneuverable, and compact walk behind scrubber has been designed to withstand daily use in many different environments. The Bulldog Micro is high quality, hardworking construction that you can depend on.

Superior Results in a Fraction of the Time

Increase the productivity of your cleaning routine substantially with the Bulldog Micro Scrubber. By cleaning floors at a rate of up to 13,000 square feet per hour, the Bulldog saves time and money. The Bulldog emulsifies dirt and removes other residues with ease using powerful down pressure and its variable speed brushes. Its maneuverable, stainless steel squeegee and capable vacuum system remove excess moisture from floors leaving them clean and dry in a single pass. Clean floors in a more hygienic manner by utilizing the clean water technology of the Bulldog Micro.

Easy to Operate and Maintain | Operator-friendly features make the Bulldog Micro Scrubber a breeze to operate. Easy access to the recovery tank, intuitive control buttons, and an easy release squeegee assembly are just some of the Micro's operator-friendly features.
