

# Join Us As We Celebrate To Empower Veterans

## CAMOUFLAGE AND COCKTAILS

Honorary Host:

**Clint Romesha**  
*Medal of Honor Recipient*

*"We live in a time now where less and less are serving, and with that comes a disconnect between those who serve and those who haven't. Because the experience is more foreign, there are people out there who want to know what it's like. If we as veterans put our candle under a bushel and don't let other people see our sacrifice, it will be forgotten."*
