A Queen Amongst Kings

Emiru joins OTK as its newest content creator

Austin, Texas: January 2nd 2022 – OTK is proud to welcome famed cosplayer, TikToker, Twitch streamer, Kirby-enthusiast, rabbit queen, and gaming gremlin Emiru to our family!

In just a few short months, Emiru has stormed both Twitch.tv and the hearts of the entire OTK community. On the subject of her acquisition, OTK Chief Operating Officer Tips Out commented,

“Her meteoric rise has proven what most of us already know: With the power of God and Anime, anything is possible.”

OTK Co- Founder & Owner Mizkif “Emiru will continue to be one of the biggest streamers on the platform, and I’m glad she’s on the team.”

On behalf of the entire OTK constituency, we look forward to supporting Emi’s content creation journey and questionable hoarding habits for years to come!
