

**ESSENTIAL  
COVERAGE.  
MAXIMUM  
VALUE.**

## **VIRTUAL CARE... A PERFECT FIT**

VirtuMEC combines everything you love about virtual care with the best MEC plans to create an innovative new product suite that is perfect for today's instant-access culture. Loaded with virtual care services, VirtuMEC is the perfect solution for companies with a limited budget and looking to provide powerful healthcare to their organization.

### **VALUABLE CARE**

Provides valuable, effective care options that give employees access to essential care.

### **24/7 ACCESS**

Enhances plan design with powerful, easy-to-use virtual care services at NO COST per call to the employee.

### **LOWER COSTS**

Delivers high-value, high-impact services at an economic cost for the employer.

### **PROTECT YOURSELF**

Eliminates the risk of the A penalty and mitigates the risk of the B penalty.

### **REDUCE PLAN USAGE**

Use of virtual care increases the chance of getting money back at the end of the year.
