

# SHARKPRO PROJECTS ON DEMAND

Leverage the Cloud

SharkPro Projects On Demand is a hosted service for SharkPro Projects™, Microsoft® EPM, and SharePoint. Your organization can rollout these applications faster, more reliably, and at a lower cost than deploying them in-house.

**SharkPro Projects**—Quickly deploy a pre-configured, easy-to-use Project and Portfolio Management implementation.

**Enterprise Project Management (EPM)**—Securely deploy high performance Microsoft Project Server 2010 and start capturing ROI.

**SharePoint 2010**—Utilize the collaboration and communication capabilities of Microsoft SharePoint without the IT overhead.

SharkPro Projects On Demand provides a fast and affordable cloud-based solution aimed at improving project visibility, productivity, and communication.

**PROJECT HOSTS**

*Lower and predictable IT costs  
with a hosted service.*
