

# International Full-Service Agency [GIANT.net](#) Launches Exclusive Discounted Pricing

Starting at \$1,000 per month, GIANT's unlimited agency packages offer affordable access to a large suite of services.

San Diego, California – July 15, 2019 – Full-service agency [GIANT.net](#) is all set to offer unlimited agency packages starting at \$1,000 per month as a limited introductory price for the first 100 customer sign-ups. Founded by Chase Gassert and Tyler Pyke, [GIANT](#) is gearing up to quickly become a globally recognized brand.

[GIANT](#) offers both Above The Line (ATL) / traditional marketing, and Below The Line (BTL) / social media marketing services. From ad conceptualization, design and implementation to resulting analysis and improvement, GIANT covers all bases.

"We're revolutionizing the agency space by providing more value than traditional agencies. At [GIANT](#), we take an in-depth look at your goals, identify your target audience, build a custom approach, and see it through to success," said Chase Gassert, CEO at [GIANT](#).

Using a universally recognizable premium domain ([my.GIANT.net](#) portal), clients can submit job requests related to specific projects in the areas of copywriting, graphic design, and lead generation. They can also register domains and manage custom hosting solutions.

[GIANT](#) has partnered with Payment, Inc. ([www.payment-inc.com](#)) for crypto payment processing and STO / ICO (Security Token Offering / Initial Coin Offering) services.

Right from launch, customers can choose pay via Bitcoin, Ethereum, Litecoin, and other cryptocurrencies.

[GIANT.net](#) will provide back-end agency services for the [Chase Ideas](#) network; including customers and select premium web properties, such as [chasemobile.com](#), [ddni.com](#), [ucollectit.com](#), [presented.net](#), [d0mains.com](#), [died.org](#), and [taxed.net](#).

"As experienced professionals, we recognize the time and effort that goes into achieving an effective marketing strategy. Unlike regular agencies that function as silos, at [GIANT](#), we focus on incorporating effective systems that become part of your company," said Tyler Pyke, CMO at [GIANT](#).
