# JOIN THESE TWO ALBUQUERQUE MUSEUMS FOR A SUMMER OF FUN!

*Enjoy* Albuquerque Museum's *Route 66: Radiance, Rust, and Revival on the Mother Road*, which explores the story of Route 66 in New Mexico and Albuquerque. From her hotly debated beginnings to her decades-long role as a pathway for adventurers, migrant workers, post-war veterans, tourists, hippies and sentimental souls, Route 66 has fascinated and engaged us, and compelled us to follow her beaten, crumbling path. Fun family events happen every weekend. The exhibit runs May 14 through October 2, 2016.
