ARIZONA EXPANSION ANNOUNCED WITH STUNNING NEW EVENT VENUE: SECRET GARDEN BY WEDGEWOOD WEDDINGS

200 Capacity Historic Manor and Gardens Now Open for Exceptional Events

PHOENIX, AZ - Wedgewood Weddings, known for hosting remarkable events, today announced the opening of a new event location in Phoenix, Arizona. The 200-person event center marks the sixth property in Wedgewood Weddings' Arizona portfolio.

"Increasing the highest-quality event venue options in the Phoenix area is fantastic news! People in Arizona seize all opportunities to celebrate with friends and family. We're delighted to welcome a new event center into the mix. We now offer a historic century-old venue to complement our additional five contemporary and luxe event locations: [Colby Falls](#) in Gilbert, [Ocotillo Oasis](#) in Chandler, [Palm Valley](#) in Goodyear, and [Lindsay Grove](#) and [Stonebridge Manor](#) in Mesa. All our venues are stunning, and adding the Secret Garden now provides Phoenicians with even more choice," said Chelsea Taylor, South West regional manager, Wedgewood Weddings.

The newest venue, Secret Garden by Wedgewood Weddings, in South Mountain's foothills, is only five miles from the Phoenix Sky Harbor Airport and seven miles from downtown PHX. The 'Secret Garden' venue name refers to the lush gardens of the manor grounds. Spanning several acres, these gardens create an escape from city living. Enjoy towering evergreen trees and a desert plantscape as a focal point for celebrations. This tropical paradise is a striking event stage.
