

TRANSFORMATIONAL. EFFICIENT.
CUSTOMIZED TECH LEARNING.

FINDING A CONSULTATIVE TRAINING PARTNER TO DESIGN AND EXECUTE EFFECTIVE LEARNING STRATEGIES SHOULDN'T BE SO HARD.

INDUSTRY ISSUES	Instructor Led Training		SaaS Learning Platforms		
	 Time Project schedules no longer can support traditional 3 to 5 day courses.	 Results With traditional ILT structures, 75% of the learners don't achieve the desired outcome.	 Price Most organizations over allocate licenses, hindering budget for other initiatives.	 Utilization Rates Utilization rates are below 20% of the total licenses held.	 Sea of Content Most learners report learning libraries provide too much content with too little direction.

END-TO-END SOLUTIONS

Proven to deliver business outcomes.

- bILT. 1** CLO in a Box Offering
- simply bILT. 2** Plug and Play - Lightly Tailored Programs
- custom bILT. 3** Turn Key - Highly Customized Upskilling Programs
- bILTu 4** Strategic Customized Reskilling Transformations
- bILT+ 5** bILTup Professional Services Suite

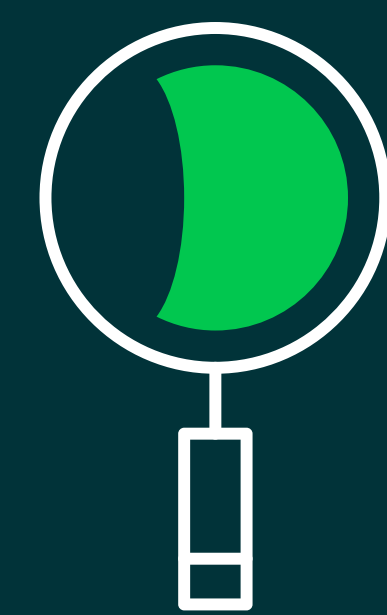

OUR PRACTITIONERS

- 155 vetted resources and growing
- 310 ILT days of delivery capacity a month
- Direct interaction with the Practitioner throughout the program

Highly-vetted, Proven Instructor Bench

Areas of Expertise

AI/GenAI, Machine Learning, Data Science, Data Engineering, DevOps, Cloud, Front-End, Back-End, Full Stack Development, Cybersecurity, ITIL, Agile and Mobile

EASY PATH TO GET STARTED

YOUR TECH LEARNING PROGRAM SHOULD BE PREDICTABLE, REPEATABLE, AND SCALABLE.
