Gabriel & Co. Offers Shoppers an Opportunity to Exchange Their Engagement Ring for One They Truly Want With Shop Confidently Program

Lewis Jewelers, an authorized retailer of the brand's bridal and fashion jewelry, offers this guarantee to all of their customers in Ann Arbor, Michigan and beyond.

ANN ARBOR, Michigan, April 25, 2019 (Newswire.com) -

When it comes to shopping for an [engagement ring](#), one of the biggest anxieties that comes up is "Will my partner love it?" Bridal jewelry powerhouse Gabriel & Co. has found a way around this issue with their Shop Confidently program.

As another addition to the brand's already-impressive slew of warranties, the Shop Confidently program promises that the customer will be protected in case their partner does not like the look of their engagement ring.

Now, anyone who purchases a [Gabriel & Co. engagement ring](#) can exchange it for another ring of equal or greater value within one year of the original purchase -- even if it was a custom design. Additionally, if a [wedding band](#) was purchased at the same time, the band can also be exchanged for another one of equal or greater value. If the customer chooses an engagement ring or wedding band that is greater in value than their original piece, then they must pay the difference between the two.

In order to qualify for this program, the engagement ring (and wedding band, if applicable) must be registered for the Gabriel warranty at the time of purchase.

This groundbreaking promise joins other Gabriel & Co. warranties like the Manufacturing Integrity warranty, free cleaning and refinishing every six months, and one year-warranties that cover things like accidental damage and normal wear and tear.

As an authorized retailer of Gabriel & Co. bridal and [fashion jewelry](#), Lewis Jewelers offers its customers the brand's full inventory as well as the best purchase protections and warranties offered in the jewelry industry.
