

INNOVATIVE, COST-EFFECTIVE MIRROR SOLUTION

Peel Mirror System

Peel Mirror System is a unique multi-layer mirror film that can be easily peeled away to reveal a fresh mirror surface in case of vandalism.

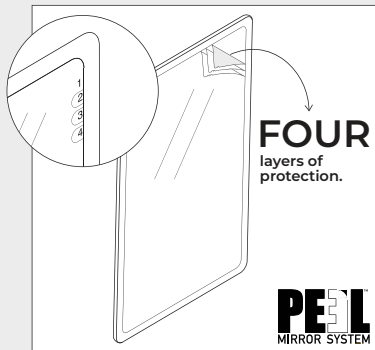

Compare the Difference and Save!

Our Peel Mirror System delivers exceptional protection, offering four times the safeguarding capability compared to a single mirror. Our Peel Mirror System includes four mirrors, a stark contrast to the single mirror option that necessitates separate purchases, installation, and additional layers of protection. The costs involved in hiring a professional for installation can significantly inflate the total expenditure.

Benefits of Peel Mirror System

- ✓ Installation kit – included
- ✓ Pre-installed 4 layers of genuine Mirror Shield® by Graffiti Shield®
- ✓ Ability to remove vandalism under 1 minute
- ✓ Permanent wall mounting bracket for easy replacement
- ✓ Shatter resistant

Benefit of Conventional Mirror

- ✓ 1 conventional mirror – included
- ✗ No installation kit included
- ✗ No anti-graffiti coating included
- ✗ No pre-installation of Mirror Shield® by Graffiti Shield®
- ✗ Not shatter resistant

By opting for Peel Mirror System, not only do you receive a comprehensive package at a flat rate, but you also eliminate the need for repetitive installations. With our easy-to-follow installation videos, mounting the mirror becomes a one-time task, simplifying the process for you. When you reach the fourth mirror, you can effortlessly order a replacement kit.
