WCC Dictionary Mobile App

This is more than a great Chinese dictionary, it's a complete learning toolkit! Featuring an intuitive dashboard, one click character recognition, flashcards, a learners library, and character stroke animation; WCC Dictionary now offers a complete suite of tools to help students of all shapes and sizes maximize their Chinese. It's all offline, so you can study on-the-go!

Online Living Dictionary

The Online Living Dictionary provides learners of Chinese with a community to share and learn methods for remembering characters, whether that be mnemonics, images, or stories. The Living Dictionary now has a Study Space that features a Character of the day, daily homework, and essential tools to make learning Chinese enjoyable *and* convenient.

Peter DiSalvo (review from Google Play)

“Great update The latest update has some great features. This app is a must have if you’re learning Chinese!”
