

CBLHoopCity: \$1,000,000 Rec Basketball League

Do you have a passion for playing basketball? Would you like to support amateur players in your community? As the CBLHoopCity: \$1,000,000 Rec Basketball League expands, we are looking for players and individuals to enter teams to play in our new “*national*” adult rec basketball league.

Our league is a one-of-a-kind basketball leagues for the recreational market.

We have a mobile app that allows players to draft players to teams, schedule games, track stats, and get league news in real-time. Team ownership plans are available for as low as \$2,500.

And that is not bad considering that your team will get national exposure, get official CBL Game Balls, and be eligible for the \$100,000 to \$1,000,000 National Champion Cash Prize tournament.

Instead of waiting to hit the lottery so you can buy into an NBA team, you can get start a CBLHoopCity team that we created to be more financially feasible for the everyday rec basketball player or fan.

Our league is also considered to be a turnkey opportunity because the league infrastructure, mobile app, and return-on-investment opportunity is already done for you.

Why Invest in a CBLHoopCity Basketball Team

For the past twenty-five years, basketball has been the #1 participation sport in the U.S. with 30.3 million players, and it is the most-watched sport in North America (in the last decade).

In China alone, American basketball has close to a billion viewers per year and over 350 million recreational players.

This alone should tell you why recreational basketball is a multi-billion-dollar industry, and we at CBLHoopCity plan to play a key role in making positive impacts in communities across the world by offering our basketball league concept and technologies.

According to ESPN NBA, you could [make millions in the NBA](#) today if you invest \$1.5M. But you only need between \$2,500 and \$10,000 to make \$100,000 to \$1,000,000 in the CBLHoopCity Rec Basketball League.

What Makes the CBLHoopCity League Different

Many pickup and rec league players want to play in highly organized leagues with other serious and competitive players. But, until now, there was not a national league to offer and support the recreational or non-professional segment of players.

You had a dream of playing at the next level, but it did not work out for you. Or you think that there is no future once you have finished high school or college play.

But if this sounds like you, then we have good news! The CBL provides national platform and exposure by giving teams and players from around the United States an opportunity to play against one another.

Our league is open to everyone who loves the game of basketball. But that is not all; it is a year-round basketball league. And it comes with a championship prize. And it is not a small prize! It is a whopping \$100,000 to \$1,000,000 prize depending on the team level.

That is something you will not find in ***ANY OTHER REC BASKETBALL LEAGUE.***

You could even be the next millionaire team or player team owner.

A New Rec Basketball League Is Born: CBLHoopCity: \$1,000,000 Rec Basketball League

Basketball is indeed doing well. NBA franchises are expensive. And people are earning great sums of money.

But there is another multi-billion-dollar economy that has been growing in the recreational sports world as we speak. And it is called, the "non-professional sports economy."

Non-professional sports leagues equals BIG BUSINESS if done properly, and CBLHoopCity is the first of its kind to transform the adult recreational basketball league space.

Pickup and rec league players now have a national league of their own, with an opportunity to earn career opportunities and win BIG cash prizes!

The Business of Basketball Is No Longer Exclusive to The Pros

Not long ago, the business of basketball was limited to the names you knew in the NBA.

Now it is open for business, and anyone can get involved at any level: from players looking for an alternative career path to team supporters, sponsors, or investors who want a piece of this multi-billion-dollar industry.

The CBLHoopCity: \$1,000,000 Rec Basketball League is one of the most exciting leagues in all of basketball. It is a new way to make money and become involved in doing something great in your community.

Our league will expand rapidly over the next few years, and you should get in early as a player team owner or non-playing team owner.

We have a mobile app that will allow you to draft players from the league database, schedule games against local teams, track national stats and leader boards, and get real-time league news.

The Good and Bad Business Brokers of Basketball: Coaches, Agents, And Teams and League Try-outs

Coaches, agents, and team executives are a good and important part of the business, but they can also be a big problem within the industry too.

It is uncommon to hear stories about the bad business brokers of basketball or any sport for that matter. They are everywhere.

There have been stories about coaches who have failed their players, agents involved in bad financial dealings, and teams and leagues that charge players \$150 to \$350 to try-out for their teams.

Semi-Pro, Minor League, or Professional teams that charge players for try-outs should **not** be considered as a professional team or league by players.

In the CBLHoopCity: \$1,000,000 Rec Basketball League you do not have to worry about any of that. No coaching politics, no agents, and no high-level team execs deciding the fate of your team.

Why You Should Care About the Booming Non-Professional Basketball Marketplace

The business of basketball is changing. The business of basketball is no longer "NBA exclusive." Now you have the chance to become a part of this new community and economy.

We are here to tell you, that as an adult recreational player or supporter of basketball, you can get involved with our CBLHoopCity: \$1,000,000 Rec Basketball League without having to be a Billionaire.

Join us today and become a part of our new league and the new recreational basketball industry!

So How Does the CBLHoopCity Cash Prize Tournament Work

There are three tournament divisions with a total league-wide cash prize value of \$1.6M.

The CBLHoopCity Game Rules

1. Team Owners or Player Team Owners are responsible for scheduling all regular season games and locations within the CBLHoopCity app. Game location must be agreed upon by both teams.
2. Team Owners or Player Team Owners are responsible for communicating scheduled games and locations to team and/or teammates.
3. Team Owners or Player Team Owners must submit the game announcement form via the CBLHoopCity app for each game they schedule to play.
4. Teams that schedule and play games not using the CBLHoopCity app will not receive game credits towards their requirement to make the post-season tournament.
5. Wins and loses **“DO NOT”** determine post-season tournament play. Only “game credits” matter.
6. Tournament seeding is determined by the most games played (or the most game credits) gets the highest seed and/or bi's in the tournament. The national tournament is team level based.

7. Game officials are not required for regular season play. If teams use game officials during the regular season it will be at their cost.
8. All regular season games are played to 100 or highest score after 60 minutes of play. At 50 points, teams can stop the game clock for 5 minutes (halftime break) before resuming play.
9. Players call their own fouls. Disputes are settled by 3-point shot at the top of the key by the player disputing the call.
10. All baskets scored are worth two points each. There are no 3-point baskets, and-1s, or free throws during regular season play.
11. City, State, and regional tournament round games will be first to fifty points or highest score after 30 minutes.
12. National championship round games will be four 10-minute quarters with 10-minute halftimes, officiated by three refs.
13. Any teams that fight during any regular or post-season game will be automatically kicked-out of the league for the remainder of the season with NO REFUND!
14. Both teams of each game are responsible for confirming and submitting the Post-Game Report that is sent via the CBLHoopCity app by the team owner representatives.
15. A game credit will be deducted for teams that no-show. Three team no-shows will be an automatic tournament disqualification (this includes teams with automatic tournament bids).
16. Four players minimum are required to be at game location at game time to avoid no-show.
17. Tournament no-shows will result in automatic advance for the team in attendance.
18. Teams can play up to three games max in one day.
19. Teams cannot change or add players to roster after league trade deadline of annual season (Close of Team Registrations – September 1 st every year).
20. Team cash prizes are wire transferred directly to the individual who paid the team's registration fee.

So What Are You Going to Do?

You now know how you can win up to \$1,000,000 playing in the CBLHoopCity league. So, what is the next step?

You can join as a player, you can invest in a team, or you can invest in a team as a player. Just remember that the tournament cash prizes earnings are paid to the team owners (purchaser) of the winning team of the national tournaments.

And you can have multiple teams if you are a non-playing team owner. However, players are not allowed to be assigned or play on multiple teams once league play begins.

Are You Ready to Take the Next Step?

Register or download the CBLHoopCity League app today.

You can sign for a 5-man team (free), 7-man team (\$2,500), or 10-man team (\$5,000). There is also a 14-man team, which will cost you a \$10,000-membership price.
