## Best Selling Christian Author, Melvin Pillay Reaches #1 on Amazon with his New Book Titled – “The Power of 8”

*Popular Christian speaker and now best selling author Melvin Pillay was honored today when his recently released book “The Power of 8” reached number #1 in the Business & Money, Entrepreneurship, Small Business, and Religion categories on Amazon.*

“The Power of 8” leverages Melvin Pillay’s three powerful streams: His Eastern culture and lineage, which uniquely honed his spiritual perceptions even before he met Christ; the Christian upbringing which he received from his mother, from Bible school and professional ministry; and the Zig Ziglar business culture which empowers him to cross many lines and move among many kinds of people. “His goal in writing this book is simple.” If just one reader (and that reader being you) could activate the eight spiritual powers given by God, then the result is increased Kingdom wealth, impact and achieving more in life, with less stress, more rest, and inner peace.

‘The Power of 8’ by, Melvin Pillay is available through Amazon for .99 cents.

In an interview Melvin Pillay, can cover:

- How to activate the eight spiritual powers

#### About Melvin Pillay

Melvin is a man who has risen from absolute abject poverty to power and success, living by his wits, his guts, and his faith. He was born during the deep years of Apartheid in South Africa. Melvin had deep ambitions for success which were only further fueled when his older brother, lawyer and economic hope of the entire family, tragically drowned. Melvin moved to New Zealand and started in the world of sales.

For a long time he was an abject failure. A major turning point occurred when Melvin discovered a Zig Ziglar cassette tape in the Auckland library and dug into it with fervor – he made a vow: Someday I will meet that man. He did and eventually became Vice President of Global Sales at Zig Ziglar International.

Today Melvin is an internationally recognized Speaker, Business Coach, and Strategic Advisor to CEO's entrepreneurs, and political leaders around the globe. Melvin has sold over several million dollars worth of products, services, coaching, consulting, and advice thru face to face and online interactions, advised and coached with best selling authors, renowned innovators, CEO's, global leaders, political advisors, minority leaders, entrepreneurs, high achieving female business owners sales teams, and hundred's of small business owners.
