5th Annual StreamGeeks Summit 2023: Elevating Live Streaming Through Expert Insights and Cutting-Edge Technology

Downingtown, PA – The 5th Annual StreamGeeks Summit, happening on December 20th, 2023, is set to be an extraordinary online gathering for streaming enthusiasts and professionals. This year, the event boasts a prestigious lineup of sponsors and an extensive range of learning sessions, promising an unparalleled experience in the world of live streaming and digital content creation.

Summit Overview:

- Date and Time: December 20th, 2023, from 10 AM to 4 PM EST
- Location: Online via Zoom
- Registration Link:

Prestigious Sponsors and Insightful Sessions

The summit is proudly sponsored by leading names in the industry, including PTZOptics, StreamGeeks, LiveU, NETGEAR, Magewell, Broadcast Pix, Epiphan, Speedify, Fender/Presonus, and Audinate. These sponsors represent the forefront of streaming technology and innovation.

Attendees can look forward to a variety of learning sessions:

- Women in AV Panel: Highlighting the contributions of women in audiovisual technology.
- Advanced Auto-Tracking with the PTZOptics: Exploring cutting-edge tracking technology for live streaming.
- How AI is Reshaping Live Streaming: A keynote on the transformative role of AI in streaming.

- How Dante Video is Used in Live Production: Understanding the integration of video in networked audio systems.
- Remote Production with Epiphan Pearls: Discovering new approaches to remote streaming setups.

...and many more sessions covering the latest developments in live streaming.

A Global Platform for Knowledge and Networking

The StreamGeeks Summit offers an unmatched opportunity for learning, networking, and discovering the latest in streaming technology. With speakers like Paul Richards, Mike Russell, and representatives from major industry players, this summit is poised to be a hub of innovation and expertise.

"We're excited to bring together a diverse group of experts and enthusiasts. The array of sessions and the caliber of our sponsors reflect the summit's commitment to advancing the field of live streaming," said Paul Richards, Chief Streaming Officer, StreamGeeks.
