

About National Association of Theatre Owners of California Nevada

Founded in 1954, National Association of Theater Owners of California Nevada's mission is to unite for the mutual benefit, protection, and improvement of the theatrical motion picture business and entertainment industry. The member-based organization cultivates and fosters the highest possible standard of motion picture exhibition, production, theatre management, trade relations, business conduct and community affairs.

NATO California Nevada represents a total of 4,682 movie screens across California and Nevada and works on behalf of theatrical exhibitors in both States to address local, state, and federal government issues for the betterment of the motion picture industry. The Association also provides college scholarships to aspiring filmmakers and community grants to a variety of arts and social service nonprofits that enrich the lives of people who live in California and Nevada.

Between the college scholarship grants and financial support to community organizations, NATO California Nevada has distributed more than \$8 Million in charitable giving.
