

# COMING TO ST. GEORGE, SUMMER 2021

From “wild waves” to “lazy lounging”  
Southern Utah’s first water park has it all.

## A sampling of attractions

**The Big Curl:** Ride a gnarly wave and “hang 10” with your homies

**The Tower:** Nine water slides coming off every direction of this Park Pinnacle

**Speed Racer:** It’s steep. It’s fast. It’s an adrenaline rush for all ages

**Lazy Lane:** Single, double and triple person tubes for a relaxing river ride

**Wave Pool:** Small ripples to large waves every thirty seconds

- Splash City is a full themed water park being built in stages on over 11 acres with plenty of room for future expansion.
- Splash City isn’t just cool, it’s green. State of the art energy and water conservation is a top priority.

**Giving back to local needs and charities plus community involvement is at the heart of Splash City**

- A nationally recognized management group with state of the art systems will ensure the safest, most efficient operations.
- Locally owned Watts Construction is the General Contractor for this exciting project.
- Hundreds of jobs will be created for St. George and the surrounding area!
