Preloading Prescreening
Patient Education

VIRTUAL COA'S

Are your patients complaining about long wait times? Do you need more space in your busy template, or a way to increase revenue? **Phone COA, LLC** partners with busy ophthalmic practices to reduce wait times and increase patient satisfaction by pre-screening and pre-loading patients directly into *your* own EMR, saving your practice **time**, increasing **revenue** and **patient satisfaction**.

- ☑ All techs are IJCAHPO certified (COA, COT or COMT)
- ☑ The practice is charged by the chart so YOU set the budget
- ☑ Cancel any time and for any reason* (after payment of any outstanding fees due)
- ☑ Customized to YOUR preferences and needs
- ☑ Charts are loaded directly into your existing EMR for a seamless integration
- ☑ Each doctor is assigned their very own Phone COA(s) for a unique and customized partnership
- ☑ Satisfaction is guaranteed – no risk!
