David Hayman Jewellers Will Give Away Free Silicone Rings to Orange County Firefighters in April

By wearing these rings instead of traditional wedding bands or fashion rings, first responders on duty will ensure their fingers stay safe while protecting the community.

YORBA LINDA, California, March 29, 2019 (Newswire.com)

- From Tuesday, April 2nd to Tuesday, April 30th, David Hayman Jewellers will offer Orange County firefighters a [free silicone band](#) to wear, as a token of appreciation for the hard work they do every day.

Each silicone ring is designed in red and black -- a sleek statement piece that both celebrates the fire departments across the nation and honors the sacrifices of their fallen brothers and sisters.

In a firefighter's line of duty, wearing a [wedding band](#) or other piece of metal jewelry is both dangerous and uncomfortable. However, each person in the line of duty should still be able to express themselves in the way they see fit. So for the month of April, David Hayman Jewellers will give these servicemen and women an accessory they can wear anywhere without worry.

Any firefighter interested in taking advantage of this offer should follow these simple steps to claim their free ring:

- Visit David Hayman Jewellers at their showroom in Yorba Linda
- Let a staff member know that they are participating in the firefighter program and show suitable credentials

After measuring the appropriate finger for their ring size, an associate will provide each qualified visitor with their new ring.

"David Hayman Jewellers is proud to be a part of the Orange County community," states the flyer promoting the event. "We are grateful for the men and women who put their lives on the line every

day to keep us safe.”

Contact [David Hayman Jewellers](#) by calling 714-996-9032 or sending an email to contactus@davidhaymanjewellers.com for any questions about the promotion.
