

BARONS Jewelers Celebrates 50 Years in the San Francisco Bay Area

BARONS Jewelers was founded on April 1, 1967, in San Leandro, CA, as partners Bart Heller and Ronnie Goodstein created a jewelry business dedicated to providing both an extraordinary selection of fine jewelry and exceptional, personal service. Symbolizing the commitment to merge these two goals, the name "BARONS" itself is a combination of the founders' names Bart and Ronnie. For the past 50 years, BARONS has remained focused on ensuring that every customer has a rewarding experience while shopping for the absolute best in engagement rings, wedding bands, fine jewelry, and watches. On Saturday, April 1, 2017, BARONS will celebrate their 50th Anniversary serving the San Francisco Bay Area by saying "Thank You" to their customers and community. Located in their beautiful Legacy Showroom in Dublin, California, BARONS is honoring the occasion with champagne, sweet treats, and a \$500 BARONS Gift Certificate for any purchase over \$5,000 completed during the April 1st event. (Some exclusions may apply. See store for details.)

As a special "Thank You" to the community of which BARONS has been a proud part for 50 years, they are donating a total of \$5,000 to be distributed between four incredibly hard-working San Francisco Bay Area community organizations: [Dublin Partners In Education \(DPIE\)](#), [Pleasanton Military Families](#), [Open Heart Kitchen](#), and [Valley Humane Society](#). These organizations serve the Tri-Valley, Dublin, Pleasanton, and Livermore area.
