Inside the CEA – Virtual Vendor Area

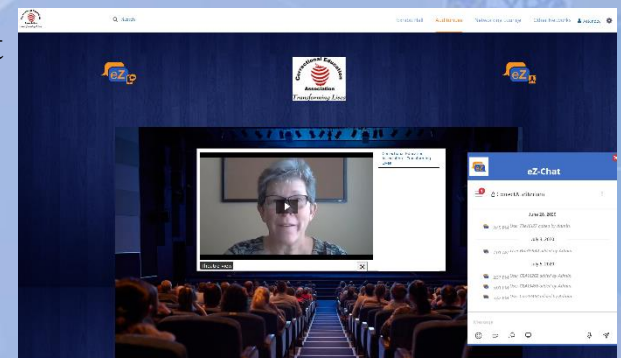

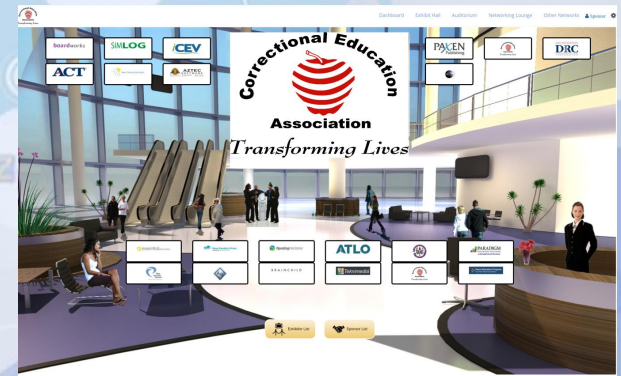

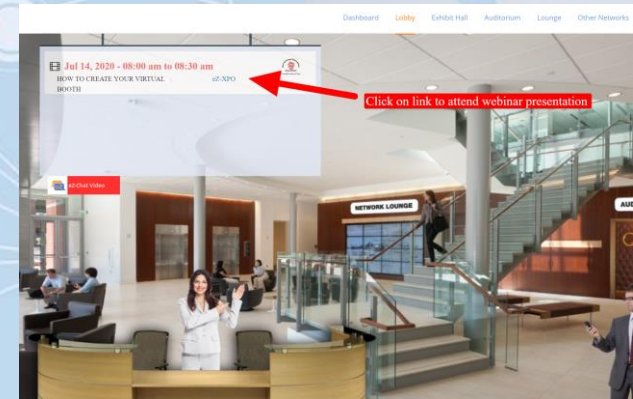

The virtual expo is comprised of 3 main areas: 1) Virtual Lobby, 2) Exhibit Hall, 3) Virtual Auditorium, 4) Networking Lounge. From the main lobby, you can visit any of the virtual booths with simple click of your mouse. The image of the top left corner will always bring you back to the main lobby.

Lobby: Just click on any of the seminar link to either vendor's webinar or vendor's presentation in the Auditorium.

Exhibit Hall: From there you can view our welcome video, access any of the "vendor booth" areas, and navigate to the Auditorium or Networking Lounge.

Auditorium: is a venue for hosting vendor video feeds. For this experience we have it populated with a selection of some of our best sponsor videos. Please make time to explore what is there.
