Christmas 2018

ARISE AFRICA

*gifts that bring the hope of Christ to Zambia*

# Dear friends,

We are pleased to send you our eighth annual Arise Africa Christmas Catalog. As the holidays approach, we would love for you to consider supporting our efforts in Zambia. Our big focus again this year is improving the quality of **EDUCATION** Arise kids receive by hiring more qualified teachers. We are also featuring gifts that meet **BASIC NEEDS** and resupply our **GENERAL FUND**. Any gift you choose will truly make a difference in a child's life. Every gift in this catalog supports what we believe are the most important areas of a child's life: education, health care, character building, and faith in the Lord.

Arise Africa is growing because of your support and encouragement. Thank you for partnering with us as we look forward to what God has in store for 2019. We are changing lives in Zambia, and it is because of the way the Lord is using you!

*Sincerely, the Arise Africa board*

Jon Conser | Renea Conser | Alyssa Reeves | Mark Reeves | Lara Pringle  
Alissa Rosebrough | Asher Rosebrough | Jake Szczepanski | Camille Walker |  
Jacquie Williams | Michael Williams

All donations designated for specific items will be applied to purchasing those items, and up to 10 percent may be used for administering the gift. When we receive more donations for a given item than can wisely be applied to that project, we use those funds to meet a similar pressing need. Your gift is tax-deductible.

## basic needs

### SCHOOL UNIFORM \$50 (including sweater)

Though most children in Zambia struggle to afford their school fees, every child is required to go to school in a uniform. By giving a child the gift of a school uniform, you will enable them to get an education and have the proper set of clothes.

*Catherine, age 9 & Margaret, age 10*

### SCHOOL SHOES \$30

When you give the gift of shoes, you will not only be providing a necessary school item, but also protecting a child from contracting harmful diseases. The shoes distributed by Arise Africa are very sturdy with thick soles to ensure that students can enjoy them for an entire school year.

### A CHRISTMAS GIFT IN HONOR OF YOUR LOVED ONES!

With every \$10 you spend, we can send you a card that describes the specific donation you've made. Share these cards to let your loved one know about the gift given in their name!

# basic needs

## HOT MEALS \$10

Many students in the schools supported by Arise Africa struggle to concentrate in class because of the constant, nagging hunger they endure. In fact, some children are simply too malnourished to attend school or cannot participate in classes because they must spend time on the streets begging for food. Your donation can help students attend school regularly, learn more effectively, and remain in good health as they grow and mature.

*CSO Maggie with Natasha, age 9*

## MEDICAL KIT \$10

Giving a medical kit to our schools helps Arise Africa face everyday small issues. Many children in the winter stay warm by open fires, which results in numerous burns. The environments that the children live in cause a huge problem with infections such as ringworm. We are constantly restocking supplies of sterile gloves, bandages, ointments, and other products to help keep burns, cuts, infections, and other small injuries clean and treated.

# general fund

## GENERAL FUND \$5-\$50,000

There are many choices you can make in giving and sometimes it can be overwhelming. A general donation to Arise Africa is a great choice. We can decide to use the funds where the demand is the greatest. Your gift will help us respond quickly to emergencies in order to help the most vulnerable and at risk children and families as needed. It will also help Arise Africa grow in responsible ways.

## STAFF CARE \$10 (minimum)

We LOVE our Arise Africa staff! Help us bless and support our Zambian brothers and sisters by giving for special coffee time, lunches, cell phone data and minutes, basic necessities, Christmas gifts, furthering educations, medical care and more.

*Lucy*

**BIGGEST NEED!**

# education

## TEACHER'S SALARY

*\$50 per week or \$200 per month*

The community schools we work with cannot afford to hire enough qualified teachers because of the cost of their salaries. Some classrooms are overrun with 60 children to 1 teacher. We are working hard to provide quality education, which starts with the educator. Please help us enable the schools to have successful learning environments by paying for a teacher's salary.

Not only are you helping children in the school, but also providing a job for our Christian brothers and sisters in a country where unemployment is high.

TEACHER MUNTANGA

TEACHER PATRICIA

TEACHER RICHARD

## TEACHER FEATURE

### Headmaster Mwete

My name is Webster Mwete. I am a father of two and a trained and passionate teacher. I have been in education for slightly over 15 years, most which in an administration position. 10 of these years have been spent in institutions that look after and educate orphans and vulnerable kids in our country. I relate well with such kids because my background isn't different from theirs. In the book of James we are told that true religion is looking after the vulnerable of our society. Arise Africa has given me a platform to exercise my faith at the same time I get to do what I love — seeing lives of vulnerable kids transformed.

Education is the greatest investment ever. Once one is educated, he/she doesn't need an insurance company to keep the education he/she attained safe.

Furthermore, I believe education is the greatest equalizer. It's the only thing that would make the one vulnerable kids sit down on the same dining table with royalties.

# education

## BUY A COMPUTER individual \$400 classroom set \$9,000

Our schools don't have any computers which is a vital part to any child's education today. Help us purchase computers to provide an opportunity for our children that will most definitely help them in their future professions.

CSO Temba with Andrew, age 6

## MAKE BIBLE CLUB FUN! \$15

Our staff facilitates Bible Club in each of our Community Schools to teach children the love of Christ. To create an enjoyable and focused environment, your donation will help equip our staff with fun prizes, visual supplies, children's Bibles, and more.

Victoria, age 10

# education

## SPORTS EQUIPMENT \$20

The gift of a soccer ball in Zambia goes a long way. Arise Africa works with community schools and other organizations to have sporting equipment for children in our programs.

## TUTOR & COUNSEL ARISE HOME KIDS \$20 — \$2,500

These funds would allow tutoring for our kids in the Arise Homes. We also want to continue to hire professional counselors to work with our kids as they heal from their previous environments.

Daniel, age 10; Muyunda, age 8 & Lovemore, age 9

## SPONSOR A STUDENT OF THE MONTH \$25

Each month, a child is nominated at our schools as student of the month. They receive brand new school supplies and a chicken! Help us provide incentives to make student of the month special for a hardworking child. In full disclosure, this chicken will be eaten.
